Wife Is With Man at Death

Two Peninsulans saw fit to end their own lives over the weekend, according to reports to Coroner William F. Crosby. One of them killed himself in the presence of his wife.

He was Rome J. Shaul, about 50, a shipping and receiving clerk at Western Pipe and Steel Co. in South San Francisco for many years. The other suicide victim was Mrs. Anna Poket, 63, of Daly City.

Mr. Shaul, who recently had suffered from a nervous breakdown, took his own life with a .25 caliber automatic pistol while lying on the chesterfield in the front room of his home at 37 Randolph St., South San Francisco, while his wife sat in a chair on the other side of the room. He pulled his gun and fired, killing himself instantly with a shot through the left side of his head, before his wife, Jessie, could intervene, officers learned.

Mr. Shaul leaves a son, Rome Jr. His body was taken to the Nauman & Muzio Funeral Home in South San Francisco.

Mrs. Poket, a widow, had been in ill health for several years, Coroner Crosby was informed. She hanged herself with a bathrobe cord thrown over the top of a door, after turning on the gas in the kitchen stove and closing all windows of the house, according to Coroner Crosby. She had fastened the cord around her neck while standing on a chair. Her body was taken to the W. C. Lasswell & Co. Mortuary in Daly City.

Neither of the suicide victims left any notes explaining their acts, but Coroner Crosby attributed both to their ill health.

Free Wild Flower Seeds Given

Before starting to work on her next picture, "Private Nurse," Brenda Joyce, winsome 20th Century-Fox star, takes time out for gardening. This year she anticipates having an outstanding display of wildflowers, which she has just finished planting. Hundreds of leading citizens are supporting Richfield Oil, which is assisting this great enterprise by giving wildflower seeds free to many people.

Junior Foresters Hold Installation Program

Officers were installed by Junior Court Pride of Madrone 2, Foresters of America, Monday in Foresters Hall. Dep. Grand Chief Ranger Albert P. Jordan and Herald George L. Solari conducted the ceremony.

Officers installed were Raymond Reese, chief ranger; James D. Leahy, sub chief ranger; Frank H. Goldthwaite, treasurer; George L. Solari, financial secretary; Calvin Coats, recording secretary; George Schrader, senior archer; Philip Penna, junior archer; Richard Hanlon, senior beadle; Raymond Balzarini, junior beadle; Robert Reese, lecturer; Jack C. Lennan, junior past chief ranger; George W. Clarkson Jr., William H. Jory and Christian Stilleson, trustees.

Prominent Peninsulans Pay Hunting Fines

The coffee company Folgers—Peter and James A. of Woodside — learned Monday that they shouldn't invite guests to shoot wild pigeons on their own estate; not out of season, at least.

Peter Folger, Lent Hooker of Hillsborough and John B. Watson of Woodside, rubber company executive, pleaded guilty in Judge E. I. McAuliffe's court this morning to violation of the game laws and paid $25 each. James Folger, unable to appear, was represented by Peter Folger — and also paid $25.

The four were arrested last week by Game Warden C. R. Peek for shooting wild pigeons on the Folgers' Woodside estate. The season ended last Dec. 15.

Drive Results In Arrest Of Cafeman

Apparently making good on their promise to keep a close watch on Peninsula taverns, State Board of Equalization agents early Sunday made the rounds of drinkeries and arrested one proprietor on charges of selling liquor after the 2 a.m. legal closing time.

He was Cal Bunyard, 42, operator of Cal's Place at 768 Woodside Rd., Redwood City. Agents Lafferty and McCann booked him at the county jail at 2:30 a.m. and he was released seven hours later upon posting $100 bail.

Bunyard's arrest was part of a concerted drive against county liquor establishments by state and county law authorities. The district attorney's office and the sheriff's office had agents "covering" liquor places in all parts of the county in co-operation with the State Board of Equalization officers. No other cases of violation were found.

Bunyard was arrested when he sold liquor to a state agent after the 2 a.m. closing hour, the officers said.

Dep. Dist. Atty. Louis B. Dematteis recalled Bunyard pleaded guilty in February of 1938 to a charge of operating a slot machine at his place. He paid a $100 fine at that time.

New Addition Made To Line of Autos

Announcement was made yesterday by Harry Dearborn, Chrysler-Plymouth dealer here, that a new addition had been made recently to the 1941 line of Chryslers.

The new model will be known as the Crown Imperial Town Sedan, and incorporates many of the features heretofore offered in the larger cars only of the Crown Imperial line.

"We have experienced a demand," stated Dearborn, "for a model that offered all the luxury and special equipment found in the regular Crown Imperial model, but constructed on a shorter wheelbase to allow convenient parking in the average private garage. For this reason, our corporation has introduced the new Crown Imperial Town Sedan on a wheelbase of 127½ inches, which will fit easily into the standard 18-foot garage."

Named Manager For Trucks

W. S. (Bill) Lantz has been appointed California and Arizona truck manager for Dodge Brothers Corporation, according to an announcement from C. S. Bash, regional manager, who said Lantz's new position was filled as a result of the increasing market for Dodge trucks on the Pacific Coast.

Study Habits Stressed By the Drew School

The Drew School, accredited to the University of California, gives a four-year high school course, taught by expert teachers in small classes, with strict scholarship standards and absence of social or athletic distractions, all of which promotes correct habits of study and solid achievement.

Concurrently with the four-year course the school conducts a two-year course, which expedites entrants to a wide range of institutions, including junior and state colleges, Pomona, Stanford, and others.

Preparation for Annapolis, West Point, Coast Guard, Flying Field, and Nautical School is conducted with conspicuous success, with a record of high accomplishment covering a period of 32 years.

In the grammar school department pupils can advance quickly towards high school admission, with a foundation in essential studies far above the average in thoroughness and completeness.

Booklet on Reducing Now Offered Free

"The Easy Way to Slenderness," a free booklet on reducing which tells exactly how to take off weight safely, is now available without cost to any reader. The booklet gives sample reducing menus for 17 days, a way to take off six pounds in three days, a recipe for non-fattening mayonnaise and a special hunger snack for between meals.

It also contains a calorie chart showing the fattening value of nearly 250 different foods and a chart showing normal weight for women of different heights and ages.

The safe weight-reducing principles in this new booklet apply only to normal people, not too young nor too old.

If you would like to obtain one of these booklets, just send your name and address on a postcard to the Editor, Redwood City Tribune, stating that you want the booklet, "The Easy Way to Slenderness," and it will be sent to you free.

The number of filling stations in the United States increased between 1935 and 1939 at about one-third the rate of the preceding five years.

R. C. Woman's Father Dies at Ukiah Home

Thomas J. Swarts, 68, of Ukiah, former San Mateo resident and father of Mrs. Ruth Lowe of Redwood City, died Sunday in Ukiah after a long illness. He leaves his wife, Florence, and three other children.

Copper is one of the most anciently-used metals.

Friendly Acres Club Names New Officers

New officers elected by the Friendly Acres Improvement Club are Thomas Aldridge, president; L. Barker, vice president; Mrs. H. D. Palmer, secretary, and C. Leeotis, treasurer.

Royal costumes for New Orleans' Mardi Gras usually cost at least $2000.

'No Time for Comedy' Here

Rosalind Russell, that woman from "The Women," is pretty mad at Genevieve Tobin, who is all wrapped up in Jimmy Stewart. Says Roz: "Now she's got two husbands. Mine and hers—and it's 'No Time for Comedy.' The film is now playing at the Redwood Theater on a dual program with "Lone Star Raiders," an all new western hit.

$25,000 Suit Filed In San Carlos Crash

Suit for $25,000 damages has been filed in Santa Clara Superior Court against the Greyhound Bus Co. as the outcome of a traffic accident on Bayshore Hwy. near San Carlos last September.

Relatives of Gladys Jones, 19, injured, asked the damages. She was riding in a car operated by Robert Daniels, 27, when it collided with a bus driven by Edward J. Anderson. Mrs. Ann Rinauro, 19, of Santa Clara, was fatally injured in the crash. The complaint charged that Anderson was negligent in operating the Salinas-bound bus.

Historical Society Publishes Journal

San Mateo County Historical Association has published its first journal for members, a five-page mimeographed magazine to be issued "as occasion may demand." At present, plans do not call for publication more often than once a year.

Says the association's announcement of the new journal: "Its purpose is to bring to members and friends of the Association news of activities, notice of interesting articles acquired by the museum, and items of historical research. Though this number is taken up entirely with notices and announcements, it is hoped that in the future the publication of new-found historical information may be a major feature."

The first issue contains the announcement that the association has secured the use of room 18 in the old San Mateo Junior College building, together with essential equipment, for use as an archive and museum.

A meeting of the association will be held Wednesday evening, Jan. 29, in the junior college auditorium to celebrate the opening of the museum. Dr. Herbert E. Bolton of the University of California, famed authority on California history, will be the speaker.

Mexico contains 28 states, two territories and a federal district.

FRIENDS WILLED $500

Two San Mateo women, Mrs. Ruth Hanson and Eleanor Hamlet, friends of the late Daniel Saur, wealthy Los Altos contractor, were bequeathed $500 each in the man's will which was placed on file in Santa Clara County Superior Court Saturday. A petition for probate said Mr. Saur's estate was worth well in excess of $10,000.

Ease of Eyework Speeds Homework

BETTER LIGHT FOR BETTER STUDY

There is no short-cut to high marks in school or college these days. It takes hard work and night hours "cracking the books." But . . . the eyes must feel right every night.

If things begin to whirl or spots begin to dance about the study desk and books, nine times out of ten it is because of inadequate or improper lighting. The student is probably using the wrong type of lamp. It may be a lamp that creates glare on dazzling white paper and sends the light bouncing back to cause squint and eyestrain.

Give the student in your home a genuine I.E.S. Study Lamp. This lamp is scientifically designed to ease the eye-work of home work. It has a standard that puts the light UP, above the shoulder. It has a wide shade that spreads light evenly over the entire desk surface. Buy it and try it. Remember good light is cheap. Eyesight cannot be bought.

MENLO PARK NEWS NOTES

MENLO PARK — Another oil station and chain grocery store are to be opened here early in the Spring. There are a good supply of both already. Why more?

★ ★ ★

Menlo Park is in need of an up-to-date theater where late pictures may be seen. If San Carlos, with less population, can have one, why not Menlo Park?

★ ★ ★

The recent storm has driven large flocks of wild pigeons from the mountains. The Flood Estate, O'Kane and White properties are crowded with the birds every evening. The season is closed for shooting them, much to the chagrin of the local hunters.

★ ★ ★

Joseph Sullivan and Robert Cain are arranging a program for an entertainment to be given in St. Joseph's Hall on Mar. 15 and 17 for the benefit of the parochial school. The best talent available will be secured to make the affair a social and financial success.

★ ★ ★

It was rumored in railroad circles in Menlo Park this week that the Southern Pacific Co. is preparing plans for a new depot to be erected this Summer at a cost of $75,000. It's certainly needed.

★ ★ ★

The preliminary proceedings for starting a $200,000 street improvement project in Menlo Park by the city council are about completed. Unless a 51 per cent protest of the owners of the property involved is presented, the work should begin early next Summer. The greater portion of the outlay is for the thoroughfares in Stanford Park, a rapidly growing community.

★ ★ ★

The rainfall for the storm on Tuesday was .04 of an inch making a total for the season of 10.67 inches. This is an inch more than at this time last year.

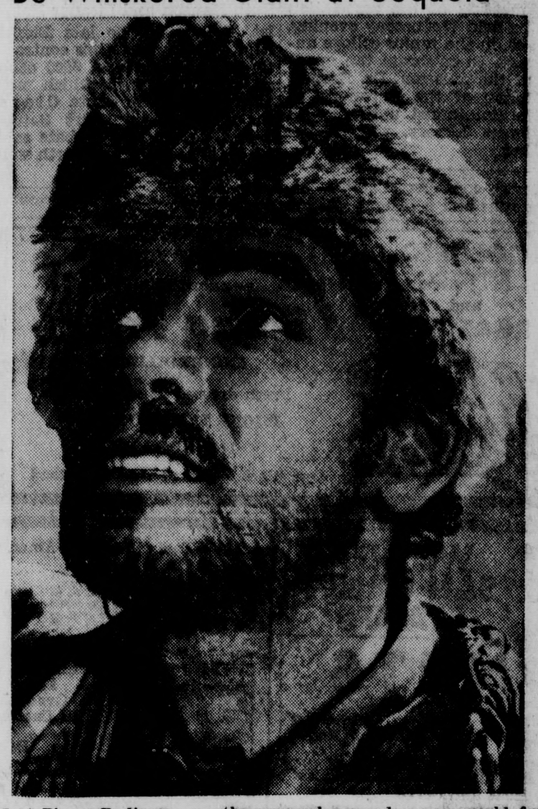
★ ★ ★

Joseph Ververker, the station agent, is at Los Angeles this week attending the funeral of his sister, who passed away on Tuesday after a long illness.

★ ★ ★

The ancient palm tree in the square near the depot has been removed through the efforts of the Times-Gazette that constantly called attention to this menace to the safety of the traveling public.

Be-Whiskered Giant at Sequoia



Meet Pierre Radisson . . . the man who saved a new world for the ruler who had ordered him hanged! Paul Muni in a starring role unlike any he's ever had, brings this colorful, adventurous character to life on the screen in "Hudson's Bay," spectacular 20th Century-Fox adventure film which opens Sunday at the Fox Sequoia Theater.

Tribune's Editorial Page Judged Third Best in State

The only newspaper on the Peninsula to win an award, the Tribune was adjudged at the weekend convention of the California Newspaper Publishers Association to have had the third best editorial page in the state in 1940. As a result, a certificate of award was presented to the Tribune through its editor, Kenneth L. Bowen, who, with Mrs. Bowen, attended the convention, held at Del Monte.

Winner of first place was the Madera Tribune-Mercury. Second place went to the Woodland Democrat, owned by Paul Leake, who was elected president of the CNPA for the coming year. Leake is collector of customs at San Francisco.

M. F. Small of Feather River was named first vice president; Percy M. Whiteside, Tulare, second vice president; J. D. Funk, Santa Monica, secretary-treasurer.

In attendance at the convention from the Peninsula besides the Bowens were Dallas E. Wood, executive editor, E. R. Lovett, general manager, and George F. Morell, president, of Peninsula Newspapers Incorporated; Mrs. Lovett and Mrs. Morell; George A. McQueen, publisher of the Burlingame Advance; Mrs. McQueen; Eugene Bishop, publisher of the Palo Alto Times; Harry Butler, general manager, and Anne Frahm Brubaker, business manager, San Mateo Times, and Mrs. Butler. Although Sam H. Winklebleck, Tribune publisher, had originally planned to attend, he had not sufficiently recovered from his recent illness to do so.

Laughing and crying are virtually the same process physiologically.

Packard Leads Economy Run

First car to get the starter's flag in the Gilmore-Grand Canyon run was the Packard 120. Shown above is the take-off which resulted in the Packard winning first place in its price class with 19.7 miles per gallon at an average speed of 43.4 miles per hour over the 500 mile course from Los Angeles, through Nevada and Arizona to the south rim of the Grand Canyon.

Lydia Hopkins Loses First Round in Court

The Lydia Hopkins dog case—involving the complaint of neighbors about the alleged disturbance created by the blue-blooded canines in Woodside—came and went in a hurry on Monday in superior court.

Judge A. R. Cotton overruled a demurrer filed by Joseph J. Bullock, attorney for Miss Hopkins, denied a motion to strike part of the complaint which was filed by Beatrice A. Cooke, plaintiff, and ordered an answer within 10 days.

Mrs. Cooke and her husband, Frederick, were the first of five of Miss Hopkins' neighbors to file complaints asking the court to abate the "nuisance." The plaintiffs are represented by Atty. W. H. Morrissey.

Court Collects $57 From Speeders

Fines totalling $57.50 were collected from automobile speeders last week by Judge E. I. McAuliffe.

Fined $5 each were Maury Schwarz, Vern S. Clayton, George E. Cooke, all of San Francisco; Fernando M. Villa, Los Angeles.

Other speeders and their respective fines included Ella B. Wright, Palo Alto, $2.50; Harry L. Clark, Palo Alto, $10; David R. Maxwell, Palo Alto, $15; Bernard J. Barcos, 211 Angus Ave., San Bruno, $10.

It's against the law to give away a cigar in Nebraska unless you have a license.

DANCE PERMIT REVOKED

The City of Redwood City, through Clerk C. W. Eltringham, has sent notice to Cal Bunyard, operator of a tavern on Woodside Rd. who was arrested Sunday on charges of selling liquor after 2 a.m., that his city dance permit was being revoked. The clerk was directed by the council Monday night to revoke the permit.

PARKMAN ON 5 GROUPS

Besides being chairman of the Public Utilities Committee of the State Senate, as previously reported, Sen. Harry L. Parkman of San Mateo has been appointed as a member of the governmental efficiency, natural resources, public health and quarantine, and revenue and taxation committees.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Peninsula Gardeners Install New Officers

Before more than 100 members of the association and their friends, new officers of the Peninsula Gardeners Association were installed at a dinner held at the Casino near Belmont, this week.

John Aiken of Piedmont, well known on the Peninsula for his work and a charter member of the association, conducted the ceremonies, with John Pelizzani of San Mateo being inducted into the president's chair. W. C. Schronn of San Mateo became vice president, while B. J. McCarron of Redwood City, original founder of the association, was inducted into the recording secretary's post for the 11th consecutive time.

Bob Gardner of San Mateo was installed as financial secretary and Ian Campbell of Burlingame was returned to the post of parliamentarian. The new ushers are Bob York and Norman Powers, both of San Mateo.

The first gas well drilled in the United States was at Fredonia, N. Y., in 1824.

OUTBREAK OF MEASLES

STANFORD UNIVERSITY —Early detection and isolation of five cases of German measles on the Stanford campus will, university health authorities believe, forestall any epidemic of the disease. Three of the victims are men and two are women, Dr. Helen B. Pryor, director of physical education for women, said here. All are isolated at the Palo Alto Hospital.

KIWANIANS AT CONVENTION

In attendance at the weekend Kiwanis Club tri-state convention at Fresno were Pres. Carl E. Ward, Past Pres. Andrew Spinas, Secty. A. H. Sagehorn and Cuthbert B. Currie of the Redwood City club.

Safeway guarantees every cut of meat to be tender and juicy. Your money back if you are not pleased.

HERE IS THE REASON WE CAN DO THIS:

Each piece of meat is selected by our own experts. We buy only the "better eating" grades of beef, lamb, pork and veal. Try it at our risk. Go to your Safeway market and buy your favorite cut. Serve it tonight. Your family must vote it tender, juicy, delicious. If they don't, your money back.

County Dental Society Elects New Officers

At a recent meeting of San Mateo County Dental Society, Dr. Caston Pope of Belmont was elected president, succeeding Dr. Ray McClinton of Burlingame.

Dr. Theodore Peterson of San Mateo is president-elect for 1942 and Dr. Wallace N. Bachelder of Millbrae is the new secretary.

Two new appointees to the board of directors are Dr. W. H. Martin and Dr. Vincent L. Cosgrave of Burlingame, replacing Dr. Bachelder and Dr. L. H. Guy of San Mateo, the latter having recently been called into military service at Letterman General Hospital, where he ranks as captain.

British Guiana is the only recognized source of greenheart, a variety of laurel wood. It is used for piers, hulls, keels of ships, fishing rods and the butts of billiard cues.

Gladys Swarthout Set For S. F. Concert

SAN FRANCISCO — Gladys Swarthout, mezzo-soprano of the Metropolitan Opera Association, screen and radio star, is the next celebrity on the Winter series of the San Francisco Opera Association, booked to appear in a single concert at the War Memorial Opera House, Wednesday night, Feb. 5.

The story of the rise of Gladys Swarthout from the position of a humble country girl singing in a Kansas City church choir to that of one of the most popular prima donnas on the operatic stage today is one of the romances of modern music.

Miss Swarthout explains it all in a combination of "lucky breaks" and hard work. She was a church soloist at 13. Later she was to go to Chicago and become the protege of the famous Mary Garden. In a few short weeks she learned 23 operatic roles for her season with the Chicago Opera Company. From Chicago she was called to the Metropolitan, where she has been singing for the past 10 years.

For her San Francisco concert Miss Swarthout will offer some of the best of her unlimited repertoire, works from the classics, arias from the operas in which she has starred and songs by American composers.

Tickets are on sale at Sherman Clay & Co.

Aviation 'Kindergarten' Planned at Air Base

MOFFETT FIELD — The army air corps soon will add a fourth school—in effect, a "kindergarten"—to the three already in existence for flying cadets, it was announced at Moffett Field by Brig.-Gen. Henry W. Harms, commanding general of the West Coast Air Corps Training Center.

Present plans, for which war department approval is expected shortly, call for the creation of a new "reception center" at Moffett for all prospective flying cadets.

Every young man accepted in the air corps will come direct to Moffett for a training period of about four weeks. During this time, the men will receive training along military lines, including marching drill, military courtesy and other allied subjects, and probably some classroom work. In addition, they will receive their training uniforms.

At the end of the four-week training period in the new army school, they will go to one of the civilian primary flying schools, then back to Moffett for basic flight training, and finally to the advanced school. The last three steps form the present schedule of training for flying cadets.

No definite arrangements have been made as to the actual start of the reception center, nor have officers been named to take charge of the work.

STANDARDIZATION PLANNED

Agricultural Commissioner Max J. Leonard was host Tuesday at a meeting of state and county agricultural officials at which plans were made to enforce standardization policies on artichokes, sprouts and lettuce crops. Two State Department of Agriculture officials and county agricultural commissioners from Santa Cruz, Monterey and San Francisco agreed to a co-operative effort in this regard, Leonard reported.

Mrs. Rose Pearson's Father Passes Away

Soto Castro of Watsonville, father of Mrs. Rose Pearson of Redwood City, passed away last Friday at his home. He was 78, and had lived all his life at Watsonville.

About 89 per cent of the persons attending the New York World's Fair in 1940 came from 11 Eastern states and the District of Columbia.

Chiropractor Opens Office at San Mateo

Dr. Ray W. Spaulding, doctor of chiropractic, has opened offices at 98 Third Ave., San Mateo, on the mezzanine floor of the Collins Pharmacy.

He has installed the latest type of equipment, including an X-ray, colonic irrigator and other electro-physio-therapy machines. His practice, he says, will embrace all drugless methods of healing, including diet and spinal traction.

Dr. Spaulding has done post graduate work in the field of chiropractic, earning the degree of Ph.C. He was chief of staff for Dr. Keyes, D. C., in San Francisco and prior to that in Los Angeles. He received his schooling at the Los Angeles College of Chiropractic and is a member of the educational council of the National College of Chicago. He is a member of the Ace Club, leading chiropractic club. He has brought his wife and daughter to live in San Mateo.

$52,627 Damages Asked for Crashes

Two damage suits seeking $52,627 as aftermaths of traffic accidents last Autumn had been filed today in superior court.

William R. Wright Jr., is seeking $30,000 and John Watkinson, $5405.76 in a suit against William Foote, William R. King and others.

The complaint alleges a car driven by Foote hit a machine of King and then involved the Watkinson automobile in a crash Dec. 7 on Bayshore Hwy., San Mateo. Wright was riding with Watkinson.

Elizabeth Nielsen is asking $15,000 and George Nielsen, $2222, of Isabel G. Converse and others as a result of a crash involving Nielsen and Converse machines Nov. 11 on El Camino Real at Fifth Ave., San Mateo.

Six types of wood-gas carburetors are being manufactured in Finland on an industrial scale.
